LOCKED OUT BY WIFE, KILLED BY FALL FROM ROOF

Through Bathroom Window and Missed.

stumbled to an angle in the wall rising "My own dear sweethaert-all around the airshaft. The wall is about long I have been longing for you." with tiles. Kittnau stopped at the edge happy he was at the prospect of their and gazed solemnly down the cavernous marriage and ended by saying:

in spite of his mental confusion, he sat kisses." his abdomen was across the top and tice White turned to Ward and asked: low. He had a good grip with his

With his left foot he sought for an tion denied." the wall opposite the window. He had been accustomed to rest-ing one foot on the peg and the other bathroom. He could not locate the peg-

Disappointment gave way to annoy-ance. His right foot slipped off the window and he hung suspended by his hands. He lost his sense of location and kicked aimlessly against the walls. His arms began to ashe and his grip on the tiles began to loosen. It was time for Kittnau to pull himself back

Struggle to be might, he could not get his elbows to the top of the wall.

other followed. Kitthau, whirling round and round dropped eighty feet to the concrete floor below.

His wife was aroused by a noise as though a leather trunk full of blankets had dropped down the shaft. Something told her what had happened. With her three-year old baby in her sain from the besterned and some men he had runnboned from the street, was the broken body of the husband she had boked out of the flat a few hours.

The total number of passengers carried by the model in the ratio of fatal injuries to the number of killed per car mile years 12th ince.

During the year ending June 80, 1806, the lotal number of car miles run on all of the lines operated by the Brooklyn had locked out of the flat a few hours. The total number of passengers carried before.
